January 2017 Newsletter

## Electrical Contractors Business Association

*Did you know.....*

1. That you **MUST** complete your NEC Code update by December 31, 2017 to have a valid NH Electrical License
2. The 2017 National Electrical Code expects to be adopted by the Building Code Review Board for January 1, 2018. At this time all licensed Electricians will have completed their code updates assuring continued competence and quality in our state.
3. ECBA is at work again introducing a 3rd Amendment to the NEC. This Romex Amendment would allow the use of NM Cable in various places that is currently prohibited and MC is mandated. More information to come.
4. ECBA worked with the Fire Marshall to stop the inconvenience of Mechanical Inspectors pulling Electrical licenses on projects.
